| EMPOWERING TODAY, CREATING TOMORROW.

WEEK 1: CAREER FOUNDATIONS & RESUME DEVELOPMENT

Code	Course Name	Description	Learning Outcomes
IRSP101	Personal Strengths & Career Exploration	Students identify interests, strengths, and career goals through self-discovery activities.	✓ Recognize personal skills, interests, and potential career pathways.
IRSP102	Employment Forms & Applications	Introduction to completing workplace forms and job applications accurately.	✓ Complete basic employment and registration forms independently.
IRSP103	Resume Building Fundamentals	Students learn resume sections, formatting, and professional presentation.	✓ Create a structured and professional resume.
IRSP104	Professional Resume Development	Students finalize a personalized resume using templates and guided support.	✓ Produce a completed resume ready for job applications.

WEEK 1 OUTCOMES

- ✓ Identify personal strengths and employment interests.
- ✓ Complete employment applications accurately.
- ✓ Understand the purpose of resumes.
- ✓ Develop a professional resume portfolio.

WEEK 2: JOB SEEKING & WORKPLACE READINESS

Code	Course Name	Description	Learning Outcomes
IRSP201	Online Job Search Skills	Introduction to digital job searching using Indeed and LinkedIn.	✓ Navigate online job-search platforms safely and effectively.
IRSP202	LinkedIn Profile Development	Students create professional LinkedIn profiles and learn networking basics.	✓ Develop a professional online presence.
IRSP203	Indeed Profile & Job Applications	Students build Indeed profiles and practice searching for suitable opportunities.	✓ Search and apply for entry-level employment opportunities.
IRSP204	Community Job Search & Resume Distribution	Students explore local workplaces and practice delivering resumes in person.	✓ Demonstrate confidence approaching employers and introducing themselves professionally.

WEEK 2 OUTCOMES

- ✓ Create LinkedIn and Indeed profiles.
- ✓ Conduct independent online job searches.
- ✓ Understand community employment opportunities.
- ✓ Practice in-person job-seeking skills.

WEEK 3: PROFESSIONAL DEVELOPMENT & WORKPLACE COMMUNICATION

Code	Course Name	Description	Learning Outcomes
IRSP301	Positive Workplace Communication	Students learn greetings, active listening, and respectful workplace interactions.	✓ Demonstrate appropriate workplace communication skills.
IRSP302	Teamwork & Professional Behaviour	Focus on collaboration, reliability, workplace expectations, and problem-solving.	✓ Apply professional workplace behaviours and teamwork skills.
IRSP303	Interview Preparation	Students learn common interview questions and response strategies.	✓ Prepare thoughtful responses to interview questions.
IRSP304	Mock Interviews & Self-Advocacy	Guided practice interviews with feedback and confidence-building exercises.	✓ Participate confidently in a mock interview setting.

WEEK 3 OUTCOMES

- ✓ Build communication and social confidence.
- ✓ Demonstrate workplace etiquette.
- ✓ Improve interview readiness.
- ✓ Practice self-advocacy and professional self-presentation.

WEEK 4: MICROENTREPRENEURSHIP & SMALL BUSINESS DEVELOPMENT

Code	Course Name	Description	Learning Outcomes
IRSP401	Entrepreneurship & Business Ideas	Introduction to self-employment and small business opportunities.	✓ Identify viable micro-business ideas based on personal interests and strengths.
IRSP402	Product Development: Candles & Crafts	Hands-on creation of candles, crafts, and marketable products.	✓ Produce quality products suitable for sale.
IRSP403	Business Budgeting & Profit Planning	Students learn pricing, expenses, budgeting, and profit calculations.	✓ Calculate product costs, selling prices, and profits.
IRSP404	Marketing, Customer Service & Sales	Students learn promotion, customer interaction, sales techniques, and popup market operations.	✓ Demonstrate customer service and sales skills during a popup sale event.

WEEK 4 OUTCOMES

- ✓ Develop and produce marketable products.
- ✓ Understand pricing, budgeting, and profit calculations.
- ✓ Apply marketing and customer-service techniques.
- ✓ Participate in a community popup sale and evaluate business results.

PROGRAM COMPLETION OUTCOMES

Upon successful completion of the InklusoRise Summer Pilot Program, participants will be able to:

Create and maintain a professional resume.

Complete employment applications independently.

Develop and manage LinkedIn and Indeed profiles.

Conduct online and community-based job searches.

Demonstrate workplace communication and interview skills.

Understand customer service and workplace expectations.

Create and market simple products for sale.

Calculate expenses, pricing, and profit.

Build confidence, independence, and readiness for employment or self-employment opportunities.
